

The Savvy Stone

What does the word 'duration' mean and why was the duration of this period in history so long?

Where would you choose to make a settlement?
What would you need?

How do we know what life was like 16,000 years ago?

Where have cave paintings been found?
What do they teach us about prehistoric man?

What sources of evidence are there from this period?

What was the impact of discovering metal?

Why aren't there many?
How reliable are they?

How did homes change from the Stone Age to the Iron Age? Why?

Where have cave paintings been found?

What do they teach us about prehistoric man?

Who first created pots and why did they do it?

Would prehistoric people have survived without teamwork?

Trip to Stone Henge

Project outcome

To send photos of our homes and settlements timelines which show how and why life changed between the Stone Age and the Iron Age to the British Museum.
