What is the PE and sport funding?	
<p>The government is continuing to provide additional funding in order to develop provision of physical education and sport in primary schools.</p> <p>The aim at Kings Furlong Junior School is to educate minds, develop healthy bodies, and promote positive attitudes towards lifetime physical activity, fitness, and sports skills. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school.</p> <p>In order to find out more you can visit: https://www.gov.uk/government/policies/getting-more-people-playing-sport/supporting-pages/school-pe-and-sport-funding</p>	
Use of Funds	DFE Guidance

Sports Premium 2023 – 2024

<p>Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:</p> <ul style="list-style-type: none"> • Develop or add to the PESSPA activities that your school already offer • Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years 	<p>Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2024 at the latest.</p> <p>To find out more please visit the DFE website:</p> <p>https://www.gov.uk/government/publications/pe-and-sport-premium-conditions-of-grant-2020-to2021/pe-and-sport-premium-conditions-of-grant-2020-to-2021-local-authorities-and-maintained-schools</p> <p>https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools</p>

Ofsted inspection guidance lists the following factors to take into account:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

At our school we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff.

The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc.

Meeting national curriculum requirements for swimming and water safety.

N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.

Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study

Sports Premium 2023 – 2024

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024. Please see note above	70%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	50%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	83%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Overview of Objectives

- To engage all pupils in regular physical activity – kick starting healthy active lifestyles
- To raise the profile of PE and sport across the school as a tool for whole school improvement.
- To increase confidence, knowledge and skills of all staff in teaching PE and sport
- To offer a broader experience of a range of sports and activities to all pupils
- To increase participation in competitive sport
- To enhance the indoor PE facilities

To engage all pupils in regular physical activity – kick starting healthy active lifestyles			
Activity	Cost	Aim	Outcome
Teachers to have the correct equipment to deliver the curriculum.		All staff will be able to fully teach the curriculum in line with the scheme of work. Pupils will be more engaged with the different sports as the equipment they require will be available and fit for purpose.	Equipment will be carefully stored and regularly audited / maintained in order to extend life. New PE equipment will enable the children to participate confidently building an understanding of how their bodies can move and how they can strengthen bones, muscles etc. that will impact throughout their lives. Impact: New equipment has been purchased to ensure planned curriculum lessons can be carried out successfully. Children have participated fully within lessons using good quality equipment so no waiting to 'take turns' has had to happen. Children have understood how to use equipment correctly and freely. Equipment has been checked regularly and replaced when needed. Children have enjoyed learning a variety of new sports with enthusiasm.
