

Adult and Family Learning

A message for all ethnic minority parents

Across Hampshire we run a range of courses for parents.

Hampshire Futures run courses for ethnic minority parents to learn basic English and other useful life skills including:

- **English Language**
- **Numeracy**
- **Computer skills**

The course covers what your child learns at school as well as helping you to develop your English, whether you are a complete beginner or can already speak a little English and want to improve your skills.

No previous knowledge or experience of schooling needed. You can join our classes if you are parent/grand parent/guardian of a child (aged 4-15) at any Hampshire school.
