Dear Parents,

Year Four trip to QMC Science Centre – Thursday 9th October

Year Four have the exciting opportunity to visit Queen Mary's College Science Centre as part of our 'What's the Matter?' project. The science centre is specially designed to support primary science and the children will have the opportunity to participate in a range of hands on experiments linked to states of matter.

The visit will be during school hours and there is no cost. **Lovelace Class** will visit in the **morning** of Thursday 9th October and **Nightingale Class** will visit in the **afternoon**. Both classes will eat lunch at school and will be able to order a hot dinner as normal.

Children are required to wear full school uniform and will need a water bottle. We will be walking to and from QMC so please ensure children are dressed suitable for the weather and have a waterproof coat and comfortable footwear.

If you have any questions please speak to your child's class teacher.

Thank you for your support
The Year Four team

Headteacher: Miss A Westaway
Deputy Head: Miss S Dunn

- Inspire learning
- Develop character
- Build community
- Give whatever it takes
