

Friday 20<sup>th</sup> March

Dear Parents & Carers,

A massive thank you to those of you who have kindly donated items towards our OPAL play collection. We launched this week and the children are loving it!

We are now looking for the following donations. If you have any of these items in good condition, please bring them in! You can also still donate items from our last letter too. Have a look on our OPAL page to remind you.

**Where can I leave my donations?**

There will be a wooden trolley outside Reception and another outside the Hall (on the playground) where you can leave your items.

**I have some spare time – how can I help?**

Can you make shelves or think creatively? Have joinery skills? Like making things? Let us know!

We want to build some storage around the school to house the wellington boots, coats & children's shoes should they wish to use the field when it is wet.

Do any of you know of a person or company who would be willing to lend us a small digger? We're hoping to start preparing the ground for our new sandpit!

We are also looking for large sheets of tarpaulin. If any of you have spare this will go towards our homemade storage units!

If you think you might be able to help in anyway let us know!

Many thanks,

The OPAL Team
