Dear Parents and Carers,

World Cultural Day – Thursday 21st May

Celebrating our different cultures is an important way to help every child feel a strong sense of belonging, while also deepening their understanding of their own and others' beliefs and traditions.

Following the success of last year's event, we have organised the following activities:

Indian Drumming Workshop

We are delighted to be hosting a special Indian drumming workshop for all classes. The music group will perform for the children during assembly, after which the children will take part in a lively and engaging musical experience.

To help cover the cost of the workshop, we kindly ask for a voluntary contribution of **£2 per child**. The remaining cost will be subsidised by the PTFA, allowing us to keep this activity affordable for families.

Please pay via scopy or cash to the office in a named envelope.

Dress to Impress

Children are invited to wear their cultural dress to school if they wish. Celebrating different cultures helps every child feel included and encourages them to learn about others' traditions and beliefs.

Other Activities

Between workshops, classes will explore and research a different culture from around the world. This will help children to develop curiosity and respect for the diverse world we live in, while appreciating both what makes us unique and what brings us together.

We very much look forward to celebrating together and creating another memorable day.

Headteacher: Miss A Westaway

Deputy Head: Miss S Dunn
