Dear Parent/Carer,

Re. Morning Moves group

We would like to invite your child to attend Morning Moves again this term, lead by Mrs Morris and Mr Dodkin.

What is Morning Moves?

Morning Moves sessions will focus on: attention, concentration, following instructions, core strength, co-ordination, balance and preparing our bodies ready for our day of learning. It will be mainly sensory circuits across the week. Alerting, organising and calming activities.

When is it?

They are held every day: Monday – Friday. Each session lasts 15 minutes.

Start time 8.40am.

Where is it?

The school hall.

Your child should come to school at the 8:40am and go straight to the hall. Children can come into the hall via the playground or year group doors.

Adults leading the session will take the register in the hall. Your child should bring their bags and coats straight to the hall with them, they can put them away on their peg after the session.

If your child attends Breakfast Club, they will go straight from there to the hall at 8.40am.

Your child will not need a change of clothes or footwear, wearing school uniform is fine.

If you would like any more information then please do not hesitate to contact me via the school office.

The sessions will begin on **Monday 7th September 2026**. Please remind your child of their new routine coming into school.

Thank you for your ongoing support.

Yours faithfully,

Mrs Wright
